

ABRIDGED CENTRAL MATCHING SERVICE ADDENDUM

To.
(Licensed User)

Date:

Dear Sirs,

1. PURPOSE OF ADDENDUM

This Abridged Central Matching Service Addendum (the “**Abridged Addendum**”) is entered into pursuant to Licensed User and EFETnet having already entered into (i) a Central Matching Service Addendum in respect of various central matching services (each service referred to as a “**Central Matching Service Module**”) or (ii) an EFETnet Accession Agreement already incorporating the relevant Central Service Matching Modules (each an “**Existing Agreement**”). This Abridged Addendum provides for acceptance of further Central Matching Service Modules as an additional service for signatories to the EFETnet Accession Agreement (each signatory being a “**Licensed User**”).

The provisions of the Existing Agreement shall be incorporated into and apply to this Abridged Addendum in respect of the further Central Matching Service Modules opted for under this Abridged Addendum.

2. CENTRAL MATCHING SERVICE MODULES

Licensed User opts for the following Central Matching Service Module(s):

- Electronic Confirmation Matching Module (eCM)
- Electronic Confirmation Matching Lite Module (eCM Lite)
- Electronic eXchange Related Processes Module (eXRP)
- Electronic eXchange Related Processes Module – ‘Trader View’ only (eXRP)
- Electronic Regulatory Reporting Module (eRR)
- Hybrid Fax Confirmation Matching Module (Hybrid fCM)
- Electronic Trade Monitoring Module (CMS eTM)
