Change Notice 25: eRR REMIT Sub Appendix update – Agent Reporting, new fallback configuration for an Affiliate listed in more than one ‘organisational group’.

Dear Licensed User,

In accordance with the EFETnet Accession Agreement/Licensed User Agreement (Clause 7.3), we therewith notify you of changes of the EFETnet Agreement as published on [www.efetnet.org](http://www.efetnet.org).

The updated eRR REMIT SubAppendix includes some changes, namely in relation to Agent reporting (Clause 5) and the new fallback set up for Affiliate companies. Licensed User may now include an Affiliate upon whose behalf Licensed User wishes to report on Licensed User’s ‘whitelist’ within the Service, as a fallback, only when that same Affiliate has already been configured as ‘internal’ party of another Licensed User since the Service, for security reasons, does not allow the same Affiliate to be set up twice as ‘internal’. The change has no practical impact on the generality of Licensed Users, as this Affiliate multiple set up may only arise exceptionally with large users that have several ‘organisational groups’, that need to list/configure the same Affiliate in more than one of these ‘organisational groups’.

If you have any queries related to this Change Notice, please contact me on 0044 1372 860270.

Best regards

  
Hugh Brunswick,

Managing Director, EFETnet
